<sup>1</sup>Annual Percentage Yield (“APY”) means a percentage rate reflecting the total amount of dividends paid on an account, based on the dividend rate and the frequency of compounding for a 365-day period. This rate assumes that a set amount is on deposit at the beginning of the dividend period, no deposits or withdrawals are made during the dividend period, and funds remain on deposit for one full year at the same dividend rate. Fees may reduce earnings. Rates for accounts are variable and may change after account opening. For current APYs, visit our website at [www.alumnifi.org](http://www.alumnifi.org) or call 855-955-2965.

<sup>2</sup>All rates are valid through 11:59 p.m. of the date indicated.
